The application form is valid within a fiscal year. Laboratories that wish to continue use in the next fiscal year must submit an application form by March 15. Also, if there is any change in the contents stated in the application form, please re-submit a revised application form each time.

- ⑥ Please be mindful of the reservation time.

Pre-usage training course^{#1}

When using the MRI equipment, please be sure to attend the “pre-usage training course.” Those who obtained permission by taking training course before the first use are responsible for the usage and should stay in the MRI room at all time during the use. Entry into the MRI operating/scanning room by only persons who do not have any permission is strictly prohibited. Upon violation, we reserve the right to cancel the permission.
